

TRANSPLANTATION: TRANSFORMING THE LANDSCAPE TOWARDS A NEW HORIZON

Marriot Putrajaya
27th - 29th May 2022

First Announcement

Call for Abstracts!

Deadline: 1st Apr 2022

Please send abstract to

malaysiatransplantation@gmail.com

- ❑ Covid 19 in Transplantation
- ❑ Expanding Donor Pools
- ❑ Infective complications post transplant
- ❑ Role of CMV Monitoring
- ❑ Recent advances in transplantation
- ❑ New: Bone Transplantation

Special Sessions:
Management of End Stage Organ
Diseases
Kidney Transplantation for dialysis
paramedics

In collaboration with :

Ministry of Health Malaysia

E-mail : malaysiatransplantation@gmail.com

Welcome Message from the MST President

Dear friends and colleagues,

On behalf of the organizing committee, it gives us great pleasure to invite you to the 25th Malaysian Society of Transplantation which will be held on 27th to 29th May 2022 at The Marriot Putrajaya

In 2020, we conducted The Annual Scientific Meeting physically despite the COVID-19 Pandemic. In 2021, The 24th Annual Scientific was conducted in collaboration with the 17th Congress of Asian Society of Transplantation and 36th Annual Congress of Malaysian Society of Nephrology which was a virtual meeting. Despite the challenges with continuous battle against the COVID-19 pandemic, we hope we will be able to have a hybrid meeting in 2022 to enable us to engage international colleagues.

We hope that this Annual Scientific Meeting will continue to be align with the objectives of The Malaysian Society of Transplantation which are

- 1) Promote and assist in the development of organ and tissue transplantation in Malaysia
- 2) Disseminate and exchange information relating to the field of organ transplantation at both local and international level
- 3) Ensure and maintain ethical standards in the field on transplantation in Malaysia

With the above objectives in mind, we are introducing a few new tracks

Special session for dialysis paramedics

Our paramedics plays an exceptional role in communicating with patients and family members and ensuring the well-being of our ESKD patients. This session is designed to:

- 1) Enhance knowledge in kidney transplantation
- 2) Empower the dialysis paramedics in identifying patients who are suitable for kidney transplantation and provide initial counselling of patients for kidney transplantation.
- 3) Assisting nephrologist in managing the deceased donor waiting list through hand-on training on the Malaysian Kidney Allocation System (MyKAS)

Special session: Management of End Stage Organ Disease

Solid organ transplantation saves lives in patients with end stage organ failures and improve quality of life. Access to organ transplantation requires identification of suitable recipients, evaluation for fitness to undergo the transplant surgery and equitable allocation process. However, referral for organ transplantation remains low. This session is designed to:

- 1) Empower junior clinicians in identifying patients that should be considered for organ transplantation
- 2) Enhance knowledge on indications, contraindications, and preparation for organ transplantation
- 3) Exposure to MyNOW (Malaysian National Organ Waiting List) to improve referral pathway for patients with End Stage Organ Disease

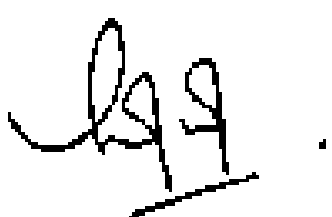

New session on bone transplantation

In line with MST objectives, this year we will be introducing a new track on bone banking and bone transplantation

In Malaysia, our organ transplantation rate remains the lowest in the world and it is our responsibility to promote the transplant agenda to the next level

We sincerely look forward to having you participating in this meeting.

In the meantime, stay safe...

Dr Rosnawati Yahya
President
Malaysian Society of
Transplantation

Message from the Organizing Chairperson

It is an honour for me to extend my warm welcome to our 25th Annual Scientific Meeting of Malaysian Society of Transplantation (MST 2022) which will take place in Putrajaya Marriot Hotel from 27- 29th May 2022. Due to the ongoing Covid-19 pandemic, we have decided to host MST 2022 as a hybrid event this year, which will involve physical as well as virtual attendees and presentations.

On behalf of the organizing committee, I welcome and thank all eminent speakers and guests from all over the country, (Singapore, United Kingdom and Australia) across all disciplines for making time to participate and share your specialized and diverse knowledge and expertise with us.

As we know, organ transplant is one of the most successful advances in modern medicine. The history of organ transplants has evolved over a series of breakthroughs in medicine that has influenced all aspects of healthcare globally and especially in Malaysia, which was initiated over forty years ago.

Today in Malaysia, there are various health centers in the government sector, public universities, as well as private hospital which undertake multi-disciplinary programs to facilitate transplantation and donation efforts involving organs such as liver, kidney, heart and lung, as well as tissues such as cornea, bones, heart valves and skin.

Our theme for this year's MST 2022 is 'Transplantation: Transforming The Landscape Towards A New Horizon'. It is our hope that this event will provide a platform for a more focused attention and discussion on pertinent issues to spur greater awareness amongst healthcare professionals and the public on transplantation issues encompassing all organ transplant initiatives and programs in Malaysia.

At the conclusion of MST 2022, we hope all participants would have gained greater knowledge and value-added insight into current topics to galvanize concerted efforts in addressing unmet needs and challenges of transplantation programs in Malaysia, moving forward in the new norm.

I wish everyone a pleasant and fruitful meeting in the next few days and stay safe.

Sincerely,

Haniza Omar

Dr Haniza Omar
Organizing Chairperson
Malaysian Society of Transplantation

25th Annual Scientific Meeting of Malaysian Society of Transplantation Programme

(Tentative – subject to change)

Pre-Congress 27th May 2022

0730-0820	Registration		
	Deceased Donor Management & Procurement	Hematological Transplantation	Kidney Transplantation: Role of dialysis Paramedic
0820-0830	Chairperson: Diana Mohd Shah Course Overview	Chairperson: Sharifah Shahnaz Course Overview	Chairperson: Mohamad Zaimi Abdul Wahab Course Overview
0830-0855	Full time Donor Coordinators: Is it worth it? <i>Diana Mohd Shah</i>	Neutropenic sepsis in HSCT <i>Teoh Ching Soon</i>	Overview of kidney transplantation in Malaysia <i>Rosnawati Yahya</i>
0855-0920	Donor Detection: Making it a Practice in Melaka Hospital <i>Foo Hong Zhi</i>	Nursing role in prevention of infections in HSCT patients <i>Siti Fazilah binti Ramli</i>	Why Living Kidney Transplantation ? <i>Yee Seow Yeing</i>
0920-0945	Donor Extended Criteria for Liver <i>Manisekar Subramaniam</i>	Current Management of Invasive Mold Disease in HSCT Patients TBC	Staff nurse, Can I go for kidney transplantation? <i>Lydia Kamaruzzaman</i>
0945-1000	Q & A	Q & A	Q & A
1000-1030	Coffee Break		
			Chairperson: Muhammad Iqbal Abdul Hafidz
1030-1055	Managing Donor Families <i>Omar Sulaiman</i>	COVID in HSCT and haemato-oncology patients <i>Ong Tee Chuan</i>	What do potential recipients need to know <i>Suryati Yakob</i>
1055-1120	Updates on COVID 19 for Deceased Donors <i>Haslinda Hashim</i>	Vaccination after HSCT - When, which and why? <i>Ho Kim Wah</i>	Who can be a living donor? How do I ask? <i>Maisarah Jalalonmuhamali</i>
1120-1145	Medicolegal and Deceased Donation <i>Ahmad Hafizam Hasmi</i>	Role of clinical pharmacists in the management of infections in HSCT patients <i>Kong Su Shan</i>	How do I keep my patients fit for transplant? <i>Lim Soo Kun</i>
1145-1210	Assisted Flights for Organ Donation Activity in Malaysia <i>Speaker (BOMBA)</i>	Management of donor and recipient with Hepatitis B <i>Syuhada Dan Adnan</i>	
1210-1235	Post Donation Care: Who, What, When & How <i>Hasdy Haron</i>	Prevention of antimicrobial resistance – is it possible? <i>Sasheela Sri La Sri Ponnampalar</i>	Life after Kidney Transplantation: My Journey as KTR <i>Khairul Shazwali Taib</i>
1235-1300	Q & A	Q & A	Q & A
1300-1430	Industry Sponsored Lunch Symposium (MSD) Challenges in CMV Management in HSCT Recipients: Prevention, Resistance and Safety Consideration TBC		
1430-1455	Stress Management for Donor Coordinators <i>Lee Boon Hock</i>	Update on the management of difficult to treat Gram negative bacterial infection <i>Sasheela Sri La Sri Ponnampalar</i>	Malaysian Kidney Allocation System (MyKAS): What do you need to know? <i>Mohamad Zaimi Abd Wahab</i>
1455-1520		Management of Invasive Fungal Infection during the COVID Era TBC	Malaysian Kidney Allocation System: (Practical Session) <i>Choo Cheh Loo</i> <i>Yee Seow Yeing</i>
1520 -1555		Utilizing Infectious Biomarkers in HSCT Patients TBC	
1555-1620		Case Presentation <i>Teoh Ching Soon</i>	
1620-1645	Q & A	Q & A	Q & A
1645	Coffee & Tea		

25th Annual Scientific Meeting of Malaysian Society of Transplantation Programme

(Tentative – subject to change)

Day 1: 28th May 2022

0730-0815	Registration			
0815-0845	Opening Ceremony Chairperson: Hirman Ismail YB Khairy Jamaludin			
0845-0915	Plenary 1 (Chairperson: Hirman Ismail) National Transplant Program: Where are we and where are we heading to? Dato Dr Asmayani Binti Khalib			
0915-0945	Plenary 2 (Moderator: Sharifah Shahnaz, Vijayan Manogran, Haniza Omar, Azmee Ghazi) Legacy of Hope : Beyond Giving Ng Kee Kiat,			
0945-1030	Tea Symposium			
	Free Paper 1 Venue: Chairperson:	Free Paper 2 Venue: Chairperson:	Recent Advances in Transplantation Venue: Chairperson:	Special Session: Management of End Organ Disease Venue: Chairperson: Hasdy Haron
1030-1055			The Clinical Utility of High Resolution HLA Tissue Typing (Immucor Sponsored Symposium) TBC	Deceased Donor Detection Hasdy Haron
1055-1120			CMV Monitoring Post Transplantation (Qiagen Sponsored Symposium) TBC	Deceased Donor Management Diana Mohd Shah
1120-1145			Non-Invasive dd-cfDNA Assessment in Renal Transplant: Opportunity for Injury Detection and Intervention (CareDx Sponsored Symposium) Suphamai Bunnapradist	Promoting Deceased Donation in Malaysia: What is the role of HCW? Fahami Ahmad
1145-1200			Q & A	Q & A
1200-1225			Donation After Cardiac Death: Can We Do It? Diana Mohd Shah	Early identification of advanced heart failure: When to refer for cardiac transplantation Azmee Ghazi
			To confirm with Dr Haniza topic on organ preservation and speaker TBC	Selection criteria and evaluation for cardiac transplantation Teoh Chee Kiang
			Q & A	Q & A
1300-1400	Industry Sponsored Lunch Symposium (NOVARTIS)		Industry Sponsored Lunch Symposium (ASTELLA)	
	Haematology Venue: Chairperson: Sharifah Shahnaz	Liver Venue: Chairperson: Yoong Boon Koon	Kidney Venue: Chairperson: Toh Charng Chee	Special Session: Management of End Organ Disease Venue: Chairperson: Lim Soo Kun
1400-1425	Overview of Haploidentical HSCT: Local experience Tan Sen Mui Bee Ping Chong Chang Kian Meng	Impact of COVID-19 pandemic in liver transplantation Mohanasundram Pillai	How do I evaluate potential paediatric recipients with urological abnormalities? Susan Woo	Kidney Transplantation in Malaysia Rosnawati Yahya
1425-1450	Donor selection and Preparing for Haploidentical HSCT Sharifah Shahnaz	Machine Perfusion in Liver Transplantation Glenn Bonney	Donor Nephrectomy: Open, Laparoscopic & Robotic Laparoscopic: What, Why and Who? Murali Sundram	Living Kidney Transplant As Kidney Replacement Therapy : Identifying Suitable Recipients Suryati Yakob
1450-1515	Management of donor specific antibodies in haploidentical HSCT Chang Kian Meng	Liver Transplantation versus Palliative care in ALF : The turning point Thamara Perera	Post-Transplant hydronephrosis: How to approach? Vijayan Manogran	Preparing Potential Living Donors/Recipients For Kidney Transplant Muhammad Iqbal Abdul Hafidz
1515-1530	Q & A	Q & A	Q & A	Q & A
1530-1600	Coffee Break			
			Chairperson: Maisarah Jalalonmuhali	
1600-1625	Who should get haploidentical HSCT – Indication of Haploidentical HSCT in current era Bee Ping Chong	Perioperative Care and Intraoperative Challenges in Liver Transplantation - The Anaesthetist Perspective Low Pui San	TBC Lim Soo Kun	Identify Advanced Lung Disease and Deciding Optimized Options of Therapy Swee Wai Leong
1625-1650	Impact of COVID-19 pandemic to HSCT activity - local and internationally Tan Sen Mui	Case Presentation 1 Hoo Chai Zhen / XXX	Kidney Transplantation in HIV, HBV and HCV Patients : A lost opportunity Wong Hin Seng	Evaluation and Selection Criteria for Lung Transplantation Swee Wai Leong
1650-1700	Q & A	Q & A	Q & A	Q & A
1730	Malaysian Society of Transplantation Annual General Meeting			
1930	Faculty Dinner (By Invitation Only)			

25th Annual Scientific Meeting of Malaysian Society of Transplantation Programme (Tentative – subject to change)

Day 2: 29th May 2022

0845-0915	Plenary 3 High Risk Recipient and Marginal Graft <i>Thamara Perera (Chairperson: Mohanasundram)</i>			
0915-0945	Plenary 4 COVID 19 Pandemic: How it affects transplantation program? <i>TBC (Chairperson: Diana Mohd Shah)</i>			
0945-1030	Industry Sponsored Tea Sysmposium			
	Heart & Lung Venue: Chairperson: Teoh Chee Kiang	Liver Venue: Chairperson: Haniza Omar	Kidney Venue: Chairperson: Yee Seow Yeing/ Mohamad Zaimi Abdul Wahab	Special Session: Management of End Organ Disease Venue: Chairperson:
1030-1055	Heart Transplant : Past, Present & Future <i>Nazeri Nordin</i>	Tele-hepatology in liver transplantation <i>Tan Soek Siam</i>	COVID infection and vaccine in Kidney Transplant Recipients <i>Steve Chadban</i>	Malaysia Stem Cell Registry <i>Masita Arif</i>
1055-1120	Primary Graft Dysfunction after Heart Transplantation <i>Peter Burgin</i>	Psychological Issues Post Transplant <i>Mark Dinesh Muthiah (NUS)</i>	Death after Transplantation <i>Tracey Ying</i>	Curing cancer with stem cell transplantation <i>Azizan Sharif</i>
1120-1145	Lessons learnt to delay Cardiac Allograft Vasculopathy and malignancy <i>Peter Burgin</i>	Recipients with NAFLD <i>Ruveena Bhavani</i>	Healthy Eating After Kidney Transplantation: What do we mean? <i>Teong Lee Fang</i>	Long Term Follow Up After HSCT <i>Sharifah Shahnaz</i>
1145-1200	Q & A	Q & A	Q & A	Q & A
			<i>Chairperson: Suryati Yakob</i>	
1200-1225	VA EMCO Adverse Events and How to Achieved Successful Management and Long Term Outcomes <i>Suneta Sulaiman</i>	Bile duct stricture post transplantation <i>Lee Tiong See</i>	Managing diabetes after kidney transplant: Anything new? <i>Sunita Bavanandan</i>	Corneal Donation & Transplantation In Malaysia <i>Chandramalar T Santhirathelagan</i>
1225-1300	Current and Future of Lung Preservation Techniques <i>Ashari Yunus</i>	DPMAS for bridging Liver Failure (<i>Ceremedic Sponsored Symposium</i>) <i>TBC</i>	Debate: Should we transplant diabetic ESRD patients <i>Maisarah Jalalonmuhamali & Toh Charng Chee</i>	Bone Transplantation in Malaysia: Human Bone Banking and transplantation <i>Azura Mansor</i>
1250 -1300	Q & A	Q & A	Q & A	Q & A
1300-1400	Industry Sponsored Lunch Symposium (NOVARTIS)		Industry Sponsored Lunch Symposium (ASTELLA)	
	Cornea Venue: Chairperson: Chandramalar T Santhirathelagan	Organ donation Venue: Chairperson: Hasdy Haron	Bone Venue: Chairperson: Azura Mansor	Special Session: Management of End Organ Disease Venue: Chairperson: Aliza Mutalib
1400-1425	Corneal donation during COVID-19 pandemic <i>Chandramalar T Santhirathelagan</i>	Development of Organ Donation Quality Management System in China <i>Wenshi Jiang</i>	Clinical Use Of Femoral Head Allograft In Joint Replacement Surgery <i>Azlina Abas</i>	Overview of liver transplantation in Malaysia <i>Haniza Omar</i>
1425-1450	The Journey of Corneal Transplantation & Eye Banking <i>Shamala Retnasabapathy</i>	<i>TBC</i> <i>Sumana Navin</i>	Long Bone Allografts In Orthopaedic Surgery <i>Prashant Narhari</i>	Selection criteria and evaluation for liver transplantation <i>Noor Aliza Mutalib</i>
1450-1515	Corneal surgery and Keratoconus <i>Siti Nor Roha Daman Huri</i>	Practicing Telemedicine in Organ Donation: Efficiency in Coordination <i>Wenshi Jiang</i>	Bone allografts in orthopaedic surgery <i>Faissal Yassin</i>	Indication in Paediatric population <i>Foo Kim Wei</i>
1515-1530	Q & A	Q & A	Q & A	Q & A
1530-1600	Coffee Break			
1600-1625	DSAEK Hospital Sg Buloh Experience <i>Che Mahiran Che Daud</i>	Covid 19 and Deceased Donation: Experience in UMMC <i>Yap Mei Hoon</i>	Case Discussion <i>Azlina Abas/ Prashant Nahari/ Faissal Yassin</i>	Introduction of MyNOW <i>Murnilina Malek</i>
1625-1650	Corneal Transplant in Peripheral Ulcerative Keratitis <i>Rohanah Alias</i>	Ethics in Tissue Donation <i>Hasdy Haron</i>	Forum <i>Azlina Abas/ Prashant Nahari/ Faissal Yassin</i>	
1650-1700	Q & A	Q & A	Q & A	Q & A
1700	Prize Giving Ceremony Launch			

INSTRUCTION FOR SUBMISSION OF ABSTRACT

- Abstract must be submitted via email to malaysiatransplantation@gmail.com by 1st April 2022.
- All research and studies in submitted abstracts must comply with the WMA Declaration of Helsinki, the Declaration of Istanbul on Organ Trafficking and Transplant Tourism, and the NIH Guide for the Care and Use of Laboratory Animals.
- Abstracts should contain original material that has neither been published nor presented at another international meeting at the time of submission.
- Only abstracts written in proper imperial English will be accepted.
- Abstract should not exceed 300 words and should contain within the border of the abstract form.
- Abstract must be typed in Times New Roman font and of size 12 point.
- The abstract should be organized along the following headings:

Title	: [Should not exceed more than 2 lines]
Authors	: [Surname followed by initials only. Underline the name of presenter. Do not include degrees or titles]
Instruction	:
Objective	:
Methods	:
Results	:
Conclusion	:

- Accepted abstracts will be notified by e-mail.
- 3 prizes will be given to the best 3 presenters from each categories (i.e. Doctors and paramedics)
 - ☐ First Prize : RM1000
 - ☐ Second Prize : RM500
 - ☐ Third Prize : RM300
- Marks will be given according to the following scheme:
 - ☐ Abstract 50%
 - ☐ Presentation 50%
 - Idea/ Innovative
 - Design and Methods. Is it case series, descriptive, retrospective, case –control, prospective or randomized control trial?
 - Is the design of the study answering the hypothesis/ objectives/ research question
 - Are the results presented appropriately drawn and relevant?
 - Language and presentation
- Each accepted abstract will be given 8 minutes for oral presentation and 2 minutes for question and answer. A power point presentation will be available (single projection only)
- The decision of the panel of the judges is final and not subject to appeal
- All presenters are required to register for the meeting

GENERAL INFORMATION

1. REGISTRATION

Main Congress Only	Early bird (before 1 st Apr 2022)	Normal rate (before 20 th May 2022)	On site
Member (Doctor)	750	800	850
Non-member (Doctor)	800	850	850
Paramedic	700	750	750
Pre Congress Only			
Doctors	300	300	300
Paramedic	300	300	300
Pre-congress and Main Congress	Early bird (before 1 st Apr 2022)	Normal rate (before 20 th May 2022)	On site
Members (Doctor)	950	1000	1100
Non-members (Doctor)	1000	1050	1050
Paramedic	900	950	950

*Payment can be made to : MALAYSIAN SOCIETY OF TRANSPLANTATION

*Registration fees are quoted in Ringgit Malaysia (RM)

2. REGISTRATION FEES WILL INCLUDE:

- ☐ Access to Scientific Program
- ☐ Lunch, tea and coffee break
- ☐ E-Conference book and name tag
- ☐ Access to trade exhibition

3. ACCOMODATION

- ☐ Marriot Putrajaya
- ☐ Le Meridian Putra Jaya
- ☐ Palm Garden Hotel Putrajaya

Abstract Submission Deadlines: 1st April 2022

Abstract Acceptance Announcement: 29th April 2022

Payment Deadline for Accepted Abstract: 13th May 2022

Deadline for Pre-Registration: 14th May 2022 (Only online registration)
